

EDITH DAVISON'S CRUNCHY MERINGUES

| SERVES 6

INGREDIENTS

White of 1 egg
3 oz. caster sugar
1 cup Cornflakes, crushed
½ cup Rice Krispies
Butter, to grease

To serve:
Whipped cream
Cupcake cases

METHOD

I start off by beating the egg white until it's a stiff peak. I then add the sugar.

Next, it's time to stir in the crushed Cornflakes and slightly crushed Rice Krispies.

Then place the mixture in small heaps on the greased baking parchment in a baking tin.

I then pop the mixture in the oven for 20 minutes (180°C/160°C fan/350°F/Gas 4).

Once baked, leave them to cool and then sandwich together with whipped cream and pop them in cupcake cases. Simple, quick and easy!
